Epson Stylus Photo R280 Inkjet Printer

The affordable Epson R280 Ultra Hi-Definition photo printer is the fast, easy way to achieve extraordinary results. Print brilliant, 4" x 6" photos in as fast as 11 seconds or text documents at speeds up to 38 ppm. This powerful performer delivers amazing results, from family photos to web pages and more. Built-in Auto Photo Correction automatically corrects the lighting in poorly exposed photos. And, its advanced face detection automatically distinguishes people from scenery to ensure beautiful, natural skin tones. You get brilliant photos you'll want to share for generations to come. And, photos printed with Claria ink resist smudges, scratches, water and fading. The Epson R280 also prints images and text directly onto inkjet printable CDs and DVDs - no need for messy markers or labels. With such remarkable quality and versatility, this easy-to-use printer is ideal for all your everyday needs. Get value, versatility and truly extraordinary results from the Epson R280.
